Beaujolais Villages Nouveau 2022

« Four Rocs Show »

It is a real celebrity of the vineyard that the whole world waits for with impatience the **third Thursday of November**. Indeed, what a wonderful and timeless idea to celebrate the new vintage, to share a pure moment of conviviality at the beginning of the winter and to discover the fragrances and aromas of the new wine.

These new wines, jewels of our heritage, come mainly from the terroirs of the AOC Beaujolais or Beaujolais Villages. We like them for their very typical aromas of flowers and fruits, which delight the nose as much as the palate.

DOMAINE ANDRE COLONGE & FILS

The Estate is located in the village of Lancié, which is the only one in the "Beaujolais Villages" to have such a special situation.

Our parcels are located in the middle of the Beaujolais Crus of: Fleurie, Morgon, Chiroubles.

They benefit from an exceptional soil.

Appellation: Beaujolais Villages Nouveau 2022

Grape Variety: 100 % Gamay noir à jus blanc

Alcohol content: 13 %Vol

Tasting advice: Serve cool or a little chambered

Food pairing: Cold cuts, white meats, country salads

TASTING:

Deep and intense ruby color with purple reflections:

- Character and personality emerge from this powerful and expressive nose with notes of black fruits (blueberry) with more greedy aromas, red berries and marshmallow.
- Fleshy and opulent, the mouth is seductive with its melted tannins, revealing fresh notes of red and black fruits.

A beautiful harmony between greediness and structure: a wine which will seduce the lovers of vinous and full-bodied primeur.
